Get an Associate’s Degree in 21 Months!

We have expanded our programming to weekends in response to needs of working adults. It is now possible to complete an Associate Degree in 21 months by attending three classes over nine weekends and enrolling in two online classes per semester. Participation in the program requires you to be ready for college level English and Mathematics. Classes meet: Friday evenings 5:30 pm - 9:00 pm; Saturday 9:00 am – 4:00 pm; and Sunday 12:30 pm - 4:30 pm.
