

Interview Workshop

Targeted for STEM Students

All Students Welcome*

**Required for students participating in the STEM Internship/Job Fair in April*

In this workshop, you will learn how to best prepare for internship and job interviews so that opportunities turn into offers!

Learn how to:

- Research the employer with whom you will be interviewing and demonstrate your knowledge of the employer and your field
- Understand the position and best present your qualifications
- Practice and prepare for common interview questions
- Understand different interviewing formats
- Dress for and follow professional etiquette during your interview

Monday, March 20, 2017

12:00 – 1:00 PM

Wellesley Campus, Library Atrium

Register @ <https://spring2017steminterviewworkshop.eventbrite.com>

Presented by Kate Basch

Career Coach, MassBay Community College
