

MassBay Technology Internship Program (TIP)

Speed Interviewing Event

Thursday, December 7th from 8:45 AM – 11:00 AM

Wellesley Campus, Library Atrium

Join the **MassBay STEM Division** in our Bi-annual **Speed Interviewing Event** where employers interview students for **full-time, part-time, paid or unpaid internships for spring 2018**

TIP provides the opportunity for businesses to:

- ◆ Connect with students who have state-of-the-art, workforce-ready technical skills
- ◆ Leverage a skilled and cost-effective source of labor
- ◆ "Try out" a candidate for potential post-graduate employment
- ◆ Provide students with meaningful experiential learning that supports the work they are doing in their classes
- ◆ Mentor and develop the next generation of technical professionals

Students can assist your business in a variety of ways such as:

- ◆ Program in different environments
- ◆ Query databases and generate reports
- ◆ Diagnose and repair laptops
- ◆ Communicate effectively with customers
- ◆ Install hardware, operating systems, printers, and software
- ◆ Support a network environment
- ◆ Provide cybersecurity strategies
- ◆ Optimize your website for tablets and phones
- ◆ Redesign your website
- ◆ Develop site content, graphics, images, banners
- ◆ Support data driven websites

There is no fee to participate in the **Speed Interviewing Event** and no obligation to hire an intern. If you are looking for an efficient, effective and fun way to meet with qualified candidates, please register at: <https://goo.gl/RcfzbH>

For more information or questions, please contact:

Julie Ginn, Director of Career & Internships Services, at jginn@massbay.edu

Feel free to forward this invitation to colleagues who might benefit from a MassBay intern!
