DIVISION OF SOCIAL SCIENCES & PROFESSIONAL STUDIES

The Community Health Option combines courses in social sciences with courses, seminars, and field work in the community health field. In addition to acquiring the necessary professional skills such as interviewing, report writing, behavior modification, and human relations, students gain a broad background in the liberal arts. Upon completion, students are prepared for entry level or other positions related to their professional experience in health centers and social agencies.

Upon successful completion, the Associate in Arts Degree in Liberal Arts with a concentration in Community Health is awarded.

ADMISSION REQUIREMENTS

CORI (Criminal Offender Record Information) and SORI (Sexual Offender Registry Information) background checks are required prior to practicum placement and will be conducted in accordance with state regulations. CORI and SORI results are confidential.
