# Liberal Arts: Human Services Certificate

**DIVISION OF SOCIAL SCIENCES & PROFESSIONAL STUDIES**

This certificate program meets the needs of students looking to enter the social service field, upgrade their skills in their current human services position, or are interested in pursuing further studies in the human services or social work fields. Upon graduation, students are prepared for entry-level positions in a variety of human services agencies such as YMCAs, Boys and Girls Clubs, settlement houses, community centers, and multiservice agencies.

The program combines course work in the social sciences, primarily psychology and sociology, with human services courses and seminars. Students gain knowledge of the field and develop professional skills such as communication, observation, listening, report writing, behavior modification and human relations. Students complement their classroom studies with experimental learning through a 150-hour field placement and weekly seminar.

Upon successful completion, the Certificate in Liberal Arts with a concentration in Human Services is awarded.
