Please answer the following questions:

- How have you been an impactful member of the MassBay Community?
- How will you attribute and embody the mission and values of the Northeastern University – College of Professional Studies? (see below)
- Have you had any leadership roles at MassBay or with the Community?
- Have you faced any obstacles while completing your Associate degree? If so please explain how you persevered.
- Please include any other information that you would like the scholarship review committee to consider when reviewing this application.

I certify that the information I have provided is accurate and complete. By signing this form, I give the Scholarship Committee access to my records.

Please sign in this box:

Application, typed responses, and all other relevant material must be hand delivered to the **Office of Academic Advising by 5pm on April 1st, 2013.** In fairness to other applicants, late applications will not be accepted.

Bryan Wint M.A.
Coordinator of Transfer Affairs
MassBay Community College

Mission, Vision, & Core Values

Accessibility to high-quality education is vital to the growth and prosperity of the local, national and international communities. For half a century, the College of Professional Studies at Northeastern University has employed a distinct, overarching mission to make a world-class Northeastern education accessible to students from our neighborhood, from our nation, and from our world.

Mission

The College of Professional Studies is committed to providing career-focused educational programs that are designed to accommodate the complex lives of motivated learners. Offered in a variety of innovative formats, our courses are taught by accomplished scholars and practitioners who have real-world experience. The result is an educational experience founded on proven scholarship, strengthened with practical application, and sustained by academic excellence.

Vision

The College of Professional Studies at Northeastern University seeks to transform the academic experience to meet the evolving needs of students who wish to pursue career and personal aspirations through education. We aspire to be the national leader in

- Graduate professional education focused on career advancement for working adults
- Global education in a multifaceted approach focused on strategic partnerships
- Educational delivery modes which are considered to be best in class while providing outstanding access to the individual students
- Innovative educational models serving urban students obtaining college degrees

Core Values

- **Access**
We provide motivated learners access to a high-quality, world-class education, which allows them to achieve their career goals and aspirations. We pride ourselves on our history of providing educational opportunities to adult learners, diverse urban groups, and international students, which are highly aligned with industry-specific requirements and skills.
- **Excellence**
Our career-focused educational programs provide the highest level of academic excellence to prepare our students with real-world experience. Our commitment to quality pervades all aspects of program design and assessment.
- **Innovation**
Innovation is driven by an understanding that higher educational delivery must be managed in a fiscally sustainable model, enabling the enterprise to secure resources and infrastructure to achieve and strengthen its mission. Our innovative course design and flexible delivery models are defined by the evolving needs of the global student community and ensure that our programs meet the needs of adult learners and working professionals regardless of geographic location or industry.
- **Student-focused**
We serve as catalysts to transform the academic experience to meet the needs of students. We are compelled to deliver an academic experience that is highly relevant and enriching to our students' lives .
- **Global**
Our curriculum is developed to align with the needs of the global economy's leading industries. The diversity of our students reflects the global economy in which they will practice.
