

Boston College – Woods College of Advancing Studies (Multiple Programs)
Summary of Agreement:

This agreement provides graduates of MassBay Community College guaranteed admission to the Woods College of Advancing Studies at Boston College to obtain a bachelor degree. Please refer to the chart below for approved programs.

Admissions and Enrollment Guidelines:

- All MassBay Community College graduates must complete the Degree Application for the Woods College of Advancing Studies. All requirements must be completed. The application fee will be waived.
- All MassBay Community College students must have a cumulative GPA of **2.5** and an associate degree in an approved program in order to be guaranteed admission. Students with below a 2.5 gpa are still encouraged to apply.
- The Woods College will accept approved associate degree programs from MassBay and apply credit to 50% of their degree requirements at the Woods College. Students must complete 15 courses in order to obtain a degree from the Woods College. Only grades of C or higher will be accepted.
- All AP, CLEP, and Challenge Exams accepted by MassBay will be honored at the Woods College.

Financial Aid and Scholarships:

- All applicants are encouraged to fill out the Free Application for Federal Student Aid (FAFSA) to determine scholarship, grant, and loan eligibility.
- The Woods College of Advancing Studies participates in the Yellow Ribbon and the Post 9/11 G.I. Bill. Students who qualify for these programs are encouraged to meet with a member of the admission staff at the Woods College of Advancing Studies.

The programs listed above have been reviewed by MassBay Community College and Boston College to ensure seamless transferability from one institution to the other. Students interested in attending Bay State from other non-listed majors, or students simply wanting to change their course of study are still encouraged to apply.

Students will receive clear, informative, one-on-one advisement from Boston College regarding the best use of credit completed at MassBay. In most cases, students will still be able to graduate with 2 years of additional full-time undergraduate study.
