

Articulation Agreement Summary Sheet

MassBay Community College

Automotive Technology: BMW
Automotive Technology: Chrysler
Automotive Technology: General Motors
Automotive Technology: Toyota / Lexus

Ferris State University

Automotive Management B.S.

Summary of Agreement:

This agreement provides graduates of Automotive Technology Associate Degree programs from MassBay Community College with a guaranteed transfer option to the Automotive Management Bachelor Degree program at Ferris State University.

Admissions and Enrollment Guidelines:

- Individuals interested in transferring into the Automotive Management program under this option must first have completed an associate degree in manufacturer/dealership co-op programs such as General Motors' ASEP, Chrysler's Cap, or Toyota's T-10 program also qualify.
- All MassBay Community College graduates must have a cumulative GPA of **2.3** (on a 4.0 scale) in order to be guaranteed admission. Student with a lower GPA may still be eligible for this program.
- Students will be guaranteed transfer of a minimum of 60 credits toward the Automotive Management degree. Students may receive additional credits (over 60 credits) depending on electives list on MassBay transcript.

Financial Aid and Scholarships:

A number of scholarships are available for freshman students and transfer students between \$500 and \$4,000 per academic year. [Click here for more information](#)

All applicants are encouraged to fill out the Free Application for Federal Student Aid (FAFSA) to determine scholarship, grant, and loan eligibility. To find out more information regarding financial aid possibilities for transfer students, please contact the financial aid office of the institution in this agreement.
