

COMMUNITY COLLEGE Articulation Agreement Summary Sheet

MassBay Community College

Automotive Technology: BMW
Automotive Technology: Chrysler
Automotive Technology: General Motors
Automotive Technology: Toyota / Lexus

Pennsylvania College of Technology

Automotive Technology Management B.S.

Summary of Agreement:

This agreement provides graduates of Automotive Technology Associate Degree programs from MassBay Community College with a guaranteed transfer option to the Automotive Technology Management Bachelor Degree program at Pennsylvania College of Technology. Program can be complete on-site or via distance learning.

Admissions and Enrollment Guidelines:

- Students may transfer from completed associate degrees related to automotive, collision repair or automotive management regionally accredited colleges (MassBay) with equivalent courses
- Transcripts will be evaluated by Penn College officials prior to acceptance to the major and junior level status.
- All MassBay Community College graduates must have a cumulative GPA of **2.5** (on a 4.0 scale) in order to be guaranteed admission. Student with a lower GPA may still be eligible for this admission to program.
- Students will be guaranteed transfer of a minimum of 60 credits toward the Automotive Management degree. Students may receive additional credits (over 60 credits) depending on electives selected by MassBay student.
- Recommended student take EC201 or EC202 as Social Science Elective, PH102 for a humanities elective at MassBay

Financial Aid and Scholarships:

All applicants are encouraged to fill out the Free Application for Federal Student Aid (FAFSA) to determine scholarship, grant, and loan eligibility. To find out more information regarding financial aid possibilities for transfer students, please contact the financial aid office of the institution in this agreement.
