[Southern New Hampshire University – Technical Management Website](#)

Summary of Agreement:

The purpose of this agreement is to acknowledge that, following completion of an automotive technology associate degree from MassBay Community College, students may transfer all college-level credit from their degree to the Technical Management bachelor degree program at Southern New Hampshire University.

Admissions and Enrollment Guidelines:

- General Motors, Toyota/Lexus, Chrysler, and BMW associate degree programs are approved in this agreement.
- Students will receive a minimum block transfer of 60 college-level credits. Additional credit will be awarded depending upon the general education courses the student completed as part of or in addition to the completed associate degree.
- Students may complete courses online or on campus at Southern New Hampshire University. Students may have the option to complete additional courses at MassBay Community College with advisor permission.
- All MassBay Community College graduates must have a cumulative GPA of **2.0** (on a 4.0 scale) in order to be guaranteed admission.
- Interested students are instructed to contact the representative below for more information regarding the application process, financial aid, and academic planning.

Financial Aid and Scholarships:

All applicants are encouraged to fill out the Free Application for Federal Student Aid (FAFSA) to determine scholarship, grant, and loan eligibility. To find out more information regarding financial aid possibilities for transfer students, please contact the financial aid office of the institution in this agreement.
