

**MassBay Community College – Associate in Arts or Associate in Science
Suffolk University – (Multiple Programs)**

Summary of Agreement:

This is a general agreement that provides graduates of approved Associate degree programs from MassBay Community College with an opportunity to be admitted into select Bachelor degree programs at Suffolk University. Please refer to the attached chart for articulated programs.

Admissions and Enrollment Guidelines:

- All MassBay Community College graduates must complete the entire Suffolk University Undergraduate Transfer Application (Common Application); provide official transcripts from prior institutions, and any other required documentation.
- All MassBay Community College students must have a cumulative GPA of **2.5** (on a 4.0 scale) and an associate degree in an approved program (**See attached chart**) in order to be guaranteed admission. Students earning a GPA of 2.0 to 2.49 may be admitted under further review by Suffolk University.
- Students are encouraged to utilize the Suffolk University / MassBay Community course equivalency to maximize course applicability. Students are also encouraged to review curriculum checklists at Suffolk University: <https://www.suffolk.edu/academics/27932.php>

Financial Aid and Scholarships:

All applicants are encouraged to fill out the Free Application for Federal Student Aid (FAFSA) to determine scholarship, grant, and loan eligibility. To find out more information regarding financial aid possibilities for transfer students, please contact the financial aid office of the institution in this agreement.

Suffolk University participates in the Post 9/11 & Yellow Ribbon Programs
