

After six years as Head Coach of MassBay's men's basketball team, Bill Raynor celebrated his 100th win behind the bench on January 15th with a 80-63 victory over University of Connecticut-Avery Point. This year's team is 14-2 and is ranked 6th in the nation in the National Junior College Athletics Association (NJCAA) Division III rankings.

"This is a nice achievement but really represents the quality of student-athletes and quality of assistant coaches that I have had the pleasure to work with over the past six years," said Coach Raynor.

The team's upcoming schedule features five home games during the spring semester:

Thursday January 20th at 7:00 pm vs. Quinsigamond Community College

Saturday January 22nd at 1:00 pm vs. Springfield Tech

Tuesday February 1st at 7:00 pm vs. Roxbury Community College

Saturday February 5th at 3:00 pm vs. Gateway Community College

Saturday February 12th at 1:00 pm vs. Rhode Island Community College

All home games are played in the gymnasium on the Framingham Campus, 19 Flagg Drive, Framingham, MA.

This year's team has a chance to become the greatest in Coach Raynor's time as coach. With 12 games and two regional tournaments remaining, the 2010-11 team has a chance to match or exceed the achievements of the 2008-09 team that finished 26-7 and won the NJCAA Region XXI and the Massachusetts Community College Athletics Conference Championships, finishing 6th in the national poll.

"Bill Raynor has achieved a great deal since he arrived at MassBay," said President Carole M. Berotte Joseph. "In his double duty as men's basketball coach and Director of Athletics, Recreation and Wellness, he has proven to be as capable an administrator as he is a basketball coach. Our entire campus is proud of his team's achievements this year and congratulate him on the milestone of his 100th victory as head coach."
