

# Want to place into a higher level math course?

## **ACHIEVE IN MATH (AIM)** SUMMER PROGRAM

---

### **Description**

The **Achieve in Math (AIM)** Summer Program is a 2 week long refresher workshop that helps students prepare for the *Math Accuplacer Test* and have the opportunity to place into a higher level math course - ultimately saving money on their education.

- **AIM Summer Program is free and lunch is provided.**
- **Participants are eligible for \$150 gift card.**

- This program is for non-STEM students interested in enhancing basic math skills.
- Students learn strategies and review topics based on the problem areas identified by previous Accuplacer test scores.
- Students learn about helpful resources and make connections to students, faculty, and staff that will improve their college experience.

**DATE:** August 21<sup>st</sup> - September 1<sup>st</sup>
