One Year Can Transform Your Career

The Transform Program at MassBay Community College is a one-year certificate program in Advanced Manufacturing that is open to anyone with an interest and desire to learn new skills.

**Workforce Needs YOU!**

Advanced Manufacturing is seeking qualified employees. MassBay is transforming that talent today!

**WHO should consider enrolling in this program?**
Those who...
- Are unemployed or underemployed
- Have an interest in advanced manufacturing, technology and innovation
- Are seeking a short term training program that will prepare them for jobs in a field that is hiring
- Want to make a career change or enhance their current job skills

**WHY choose Advanced Manufacturing at MassBay?**
- Placement in paid internships ($15-$20/hour)
- In-demand job opportunities after completing the program
- Rolling and open admissions process
- Flexible scheduling: full-time and part-time options available
- Combination of traditional, online and hybrid classes

Graduates of the Advanced Manufacturing Program have the potential to earn $65,000 annually and there are varied opportunities in this high growth field.
