### LEAD Program

MassBay has a Student Leadership Development Program called the LEAD Program.

Leadership development/training is essential for ANY major or career.

#### WE BELIEVE LEADERSHIP IS...

- Obtainable by all students (every student can be a leader)
- A process, not a position
- Skills that can be developed
- Different for everyone (there are all types of roles that leaders can fulfill)
- Activities that have positive impacts on both personal & professional goals
- Something that occurs in many varieties of groups and settings
- Building an independent identity

**Apply to be part of the program or nominate a student at**
