Dear Students,

In the spirit of celebrating our rich and diverse history, let us come together as a community to celebrate the contributions of Black individuals in the United States and the world.

This year, MassBay Community College is excited to announce a new library subject guide, Race in the United States. This guide is organized by broad theme and uses navigation buttons to help you explore the resources available in our collection.

The Students of Color program has implemented an outreach program designed to support students with their college experience and help them achieve their academic, personal, and professional goals. Students of Color members along with Walgler, Academic Coach, and Chief Diversity Officer, Dr. Lynn Moore meet regularly for one coaching as they adapt to their learning.

For more information, visit https://www.massbay.edu/students.of.color.

In this issue:

- History Month
- Library Guide
- Student Engagement

Black History Month

History Month is a celebration of the achievements of Black individuals in the United States and the world. Let us come together as a community and celebrate not only Black people from years past but those making history today!

Let us celebrate and honor those who continue to move in this direction. Let us come together as a community and celebrate not only those making history today!

Let us come together as a community and celebrate those making history today!

- The Guide is organized by broad theme and uses navigation buttons to help you explore the resources available in our collection.
