Get Involved, Get Engaged, and Get Moving . . . towards your Transfer Schools

Get Involved

Your experience here at MassBay will often be defined by the people you meet and the experiences you have. Involvement in different programs and clubs on campus leads to greater opportunities and experiences that support you and your goals.

This week we will be hosting our Involvement Fairs, where we pull together all the many opportunities to be involved, in clubs, organizations, mentoring programs, opportunities in STEM, career services, athletics, and other resources that can connect you to other students and new chances here at MassBay and beyond. Can't attend? Check out our clubs, find their meeting times and drop in at www.massbay.edu/clubs.

Involvement Fairs:

(Food will be provided)

- Monday, Feb. 3: 11:30-1:30 in the Wellesley Cafeteria
- Tuesday, Feb. 4: 11:00-1:00 in the Framingham Cafeteria
- Thursday, Feb. 6: 11:30-1:30 in the Wellesley Gym (RWC)

Join the LEAD Program

Whether you are just starting your journey as leader, or are intimidated by even the idea of leading a group, the LEAD program provides one of the most welcoming programs we have on campus to get involved. Participants meet 5 times throughout the semester, each time learning more about themselves, their leadership style, and working in groups and teams. To learn more or to apply to be part of the LEAD Program, visit www.massbay.edu/lead

Apply for a position in SGA

Being involved in SGA (Student Government Association) is a great way to connect with Massbay. Every semester, SGA sets its own agenda of what issues students most care about and works with Student Engagement to create new events for students. SGA is one of the best ways to meet new students and make a difference on campus, but it needs interested, motivated students to get involved! Applications are open now until February 7th, and can be found in your MassBay email, or at www.massbay.edu/sga

Get Moving...towards your transfer school

If you are planning to transfer to a new institution in the Fall of 2020, don't let application deadlines catch you by surprise! Finalize the list of schools you want to apply to, know their individual deadlines, keep working on your transfer essays and applications, and work with the Academic and Transfer Advising Office to help you along the way. Make sure you attend the **Transfer Fair on Wednesday, Feb. 5th 10:00am-1:00pm**. No matter where you are in your transfer process, it is important to check out the fair! You can meet with representatives from possible transfer institutions to learn about requirements and procedures. Plus, throughout the semester, there will be representatives from campuses from across New England who can provide information about their programs and transfer application process.

Transfer Fair:

(Open to students in any stage of the transfer process).

- Wednesday, Feb. 5: 10am-1pm in the Wellesley Cafeteria
