Get Involved, Get Engaged, and Get Moving . . . Get Involved

Your experience here at MassBay will often be defined by the people you meet and the experiences you have. Involvement in different programs and clubs on campus leads to greater opportunities and experiences that support you and your goals.

This week we will be hosting our Involvement Fairs, where we pull together all the many opportunities to be involved, in clubs, organizations, mentoring programs, opportunities in STEM, career services, athletics, and other resources that can connect you to other students and new chances here at MassBay and beyond. Can't attend? Check out our clubs, find their meeting times and drop in at www.massbay.edu/clubs.

Involvement Fairs:
Wednesday, Feb. 10 @ 2–3pm
Thursday, Feb. 11 @ 3:30–4:30pm
Stop by anytime during the hour to learn about MassBay's clubs, organizations, and resources. You will be able to select the groups you want to speak with and meet the student and/or staff members. Click here to join!

Join the LEAD Program
Whether you are just starting your journey as leader, or are intimidated by even the idea of leading a group, the LEAD program provides one of the most welcoming programs we have on campus to get involved. Participants meet on Friday afternoons throughout the semester, each time learning more about themselves, their leadership style, and working in groups and teams. To learn more or to apply to be part of the LEAD Program, visit www.massbay.edu/lead
