We’re hiring and you’re invited

Middlesex Community College is Hosting an Informational Session with Raytheon Technologies

Wednesday, March 3rd at 11 a.m - 12 p.m EST

Raytheon Technologies is excited to partner with Middlesex Community College to host a virtual Information Session on Wednesday, March 3rd at 11:00 a.m. All students are encouraged to join and learn more about Raytheon Missiles & Defense, one of the four industry leading businesses Raytheon Technologies is comprised of.

Don’t miss your chance to speak directly with and ask questions to the hiring manager, technical manager, and recruiters joining the session. We will also discuss our Test B positions.

This is an excellent career opportunity for electronic equipment technicians to join Raytheon Technologies and use the tools and skills you’ve acquired from your degree to help us define the future of aerospace and defense.

Below is the hyperlink to the Test B job opportunity as well as the Zoom link to join the Information Session. We look forward to speaking with you!

Position: Test B Technician
Degree: AS in Electronics. Students who studied electronics in high school and veterans are also encourage to apply.
