

April 5, 2021 | Fall Registration

## In this Issue:

- Fall 2021 Registration Information
- Commencement 2021 Information & Opportunities
- Sneak Peak at this Week's Events

## Fall Registration Opens TODAY!

Registration is now open for Spring 2021 (registration for summer is already open)! It is important to see your Academic Advisor so that you can be sure you are making successful progress towards your academic goals.

Please visit the Academic and Transfer Advising page at

<https://www.massbay.edu/academics/advising> to find out more about how to access advising either through making an appointment or accessing the Virtual Advising Center. You can find the name of your advisor on your Student Center page in Bay Navigator.

## Courses for Fall 2021

Some courses will be offered on campus, including health sciences, automotive, as well as a few general education and STEM classes, but seats are limited. You can find these courses on the [course offerings webpage](#) by clicking the "Schedule of 2021 Fall In Person Courses" link on that page or by going here:

<https://mbccweb.massbay.edu/In-Person/>. Otherwise, courses will be online or remote.

The college leadership is doing its best to plan for the fall while also considering the current pandemic and are proceeding with safety in mind. For the most recent Coronavirus updates and resources, please visit <https://www.massbay.edu/coronavirus>.

## Remote Support Services

A reminder that all of our support services are available while we are remote! You can find links to all of our services at <https://www.massbay.edu/student-links>

Also, don't forget about the Virtual Q&A center, which can be accessed at <https://www.massbay.edu/ask> . It is currently operating from 10am to 2pm Monday to Thursday, and is a great resource for any questions you might have. There are generally representatives from Financial Aid, Student Accounts, IT for technology help, Student Development, and Admissions available to meet with you live via WebEx.

**ONE-YEAR**  
ANNIVERSARY OF  
COVID-19

The past year has been challenging to say the least and we have each faced our own difficulties and uncertainties. Through it all, we know that you, our students, are survivors. You have worked extra hard in your classes, learned new technologies, adapted, raised children and/or cared for loved ones, learned new skills, found new ways to connect with family

and friends, and met the many demands of your life during this unpredictable time.

Many of us have spent the last year facing forward, anticipating what the next challenge or heartbreak will be. There have been sacrifices, countless hurdles, and the never ending unknowns, BUT you have made it and there is light at the end of the tunnel!

Nevertheless, it is imperative to take the time to think about what we have gone through, absorb what this past year has taught us, and take a moment to exhale. Reflecting on your experiences, new skills, changed priorities, and accomplishments can be powerful.

To that end, we invite you to participate in an opportunity to reflect:

**Essay Contest:** REFLECT on the following prompts, WRITE about your experiences and thoughts this past year, and SHARE your responses with the MassBay community.

**One Year Living Through a Pandemic**

How did you adapt to the “new normal”?

What new skills did you develop?

Did your priorities change? How so?

What did you learn about yourself?

What changes have you observed in yourself?

What did you gain this year? What did you lose?

Moving forward, will your life be different? How?

A committee of faculty and staff members will select a winner of the essay contest who will get a meal on us (a \$100 value). With permission, all essays will be shared with the MassBay Community. Please submit essays to [studentengagement@massbay.edu](mailto:studentengagement@massbay.edu) by April 9th.

# UPCOMING EVENTS

Visit the [Virtual Events Calendar](#) in OneLogin for more events and event links and information!

**Thursday, April 8: 7-9pm**

### **Murder Mystery Party**

Participants will work together to try and solve a classic who-dun-it mystery. You must RSVP to participate. [RSVP HERE](#)

**Friday, April 9: 1-3pm**

### **Bystander Intervention Training Bringing in the Bystander**

April is Sexual Violence Awareness Month. *Bringing in the Bystander*, a nationally recognized and evidence-based program, focusing on educating individuals on how to be a pro-social bystander and how to effectively intervene in a situation if a potential risk of sexual violence is present. This program runs for about 90 minutes and offers a variety of real life situations and opportunities to obtain life skills pertaining to harm reduction when difficult situations arise.
