### Student Spotlight

Eddie Gillies is a graduate student at Bridgewater State University and currently interns in the MassBay Academic and Transfer Advising Center. After beginning his collegiate career at Cape Cod Community College, Eddie transferred to Bridgewater State University to complete his Bachelor's Degree in Psychology and will complete his Master's Degree in Student Affairs Counseling in May of 2019. During his MassBay internship this spring, Eddie has assisted students in the advising office and helped to develop advising policies for students on academic probation. Eddie has also conducted workshops focused on academic

success and will be hosting several workshops next week to assist students in the registration process and the use of Bay Navigator. "I am grateful to intern at MassBay; I began my education at a similar school, so helping students at this level is a passion of mine".

Eddie is excited to finish his Master's program in May, and plans to move to California in fall of 2019 to pursue a career in higher education.

### Registration Mini-Workshop

Eddie will be hosting a 15 minute registration mini-workshop sponsored by the Academic & Transfer Center to provide knowledge about prerequisites and course selection, and to assist students in the use of Bay Navigator on April 8th, 9th, and 10th . (Please see flyer below)
