

Automotive Basics for New Drivers

Are you a new driver? Want to learn more about the car you are driving? This class will be "hands on" and led by our certified MassBay Automotive faculty.

This interactive 3-hour class will cover the essentials including:

- Checking oil & fluids
- Inspecting and changing windshield wipers
- Checking tire pressure
- How to change a tire
- Dashboard warning lights what they mean
- Opening the hood and knowing what you are looking at
- Awareness of inspection sticker dates and where they should be located on the car
- Understanding your car's registration form
- What to do in an accident reporting, information to gather
- How to safely add fuel after running out
- What to do when you get a flat i.e. safety on the side of road.

Corporate Partnerships and Workforce Development Registration Form (non-credit courses)

Please be advised that, if there are any, additional fees may be applied to your bill. Anyone who registers, in any acceptable way, and fails to attend classes is still subject to full tuition and fee charges. Students must officially drop or withdraw from class in order to be reimbursed according to the published refund schedule. All charges must be paid in full at time of registration. This form may be mailed to address as indicated above or emailed. To complete the form: Save this file to your desktop as a .pdf and open the .pdf version on your desktop; enter the required information into the form, print the form and sign the one (or two for credit card payment) field(s) on the printed form. The phone numbers and email addresses entered on this form will be used for the College's emergency notification system. Please contact the Office of Public Safety for more information or to opt out of the system.
