

# LEAD

Leadership Engagement And Development

The **LEAD Program** exists to inspire all students to effect positive change through self-exploration, including the positive impact they can have in a group and its community, and why that's vital for our future.

## BENEFITS OF THE LEADERSHIP PROGRAM:

- Gain practical experience in cooperative teamwork, creative problem solving, and being an effective leader
- Further develop self-awareness and interpersonal skills, and learn about group dynamics
- Develop relationships with other students, faculty, staff, and administrators

**Come find out what the LEAD Program is all about. You will learn about the program benefits and requirements and get all of your questions answered.**
